Dear Ms. Fernandez:

This letter is in response to your recent request under the California Public Records Act (Government Code § 6250 *et seq.*) for the following:

- 1. The names and reports of officers involved in police or deputy activity and covered under SB 1421. We are seeking records that date back to Jan. 1, 2017 in our initial request. We would like a prompt return of these records, as required by law. Please include video related to the incident.** The San Ramon Police Department has no records pertaining to this request.
- 2. As this process can be time-consuming, the second part of our request is asking for records going back to Jan. 1, 2014. We request that "Part 2" of our request be made public considering time restraints. Please include related video.** The San Ramon Police Department has no records pertaining to this request.
- 3. Please release information as it becomes available. Written reports can be released ahead of audio and video.** Not applicable.

This completes your Public Records Act request.

Sincerely,

Valerie Powell
Records Coordinator
